Northern California HWY 1 Drive (European Inter-Forum Event)
Saturday, November 7, 2009
~10:30 a.m. – approx. 2:00 p.m. (Ending near Big Sur, CA)

A Volkswagen enthusiast (forum username = Salty VW) has planned a Northern California drive along HWY 1 and invited various Euro forums members (VW, BMW, Volvo).

Here is the event post copy and paste:
"Hi all, I'm putting together an all euro cruise in NorCal along highway 1 from Pescadero to Big Sur on November 7th and would love to see some Volvo guys there. This has been cross posted on various other euro forums as well and it looks like we've already got a good bit of interest. Feel free to cross post this yourself as well should I miss a forum.

What: A scenic cruise down California State Route 1 from Pescadero to Big Sur.

When: Saturday, November 7th starting at ~10:30am (drive starts at ~11:00am)

Who: Any euro car is encouraged to come out; however, if yours is out of commission, feel free to roll your sisters Camry. Just park it away from the crowd and drive towards the back of the pack for picture taking purposes.
