Sacramento Chapter @ EuroSunday Sacramento
Sunday August 23, 2009, 8:00 AM

Bring your Volvo to EuroSunday at
Pete's Coffee – Quarry Ponds Shopping Center
5550 Douglas Blvd.
Granite Bay, CA 95746

Our plan for the day is to arrive at 8:00 am, and park in the area designated by the event organizers and enjoy looking at all the cars on display until the event ends at 10:30 am.

Typically, European exotics and well restored pre-75 cars are displayed. However, this will be an opportunity to display nicely maintained older Volvo's. They should stand up well and draw attention from many of the other drivers. If your Volvo is not the best of the best, don't despair! This will still be a fun opportunity for VCOA members to get together and to see a wide variety of European cars on display.

Following the Show and Shine at the Quarry Ponds Shopping Center, Volvo owners will be invited to take a drive, as organized by the Euro Sunday crew to a destination to be announced. We may also wish to organize Volvo owners for an independent drive and lunch as an option.

If additional details become available, we will share them with you a few days before the event.

Please email a RSVP or direct questions to:
