May 16, 2009 is when the 26th Annual ipd Garage Sale, Swap Meet and Car Show will take place. We look forward to this event each year and we're excited to have games, prizes, giveaways, sale pricing on most of our stock and much more. Doors will open to the ipd sales desk from 9:00am until 1:00pm and the swap meet and car show has been extended to run until 3:00pm. We hope to see you here for this great event.

Garage Sale is 9:00am to 3:00pm Saturday May 16th.

For more information on displaying your Volvo or to reserve a swap meet spot call 800-444-6473 or e-mail our show coordinator Robert Cowgill at rcowgill@ipdusa.com

We are very excited about the 26th annual ipd Garage Sale this year, as an MTE engineer from Sweden will be here and will be taking care of all the performance ECU tuning during the garage sale! In addition, he will be available for doing custom tunes from May 13th, through May 20th by appointment. If you have modified your Volvo beyond the scope of the performance parts available through ipd, and feel that you need a custom tune to optimize the power and economy of your engine then email marco@mte.se to schedule a time to perform the upgrade, and finalize pricing for the tune.

“ipd Bailout Program”

This years ipd Garage Sale will be the time to save some green in this world recession with a \$100 discount on all standard ipd ECU upgrades, including the stage 2 and stage 3 tunes. All ECU programming will be done by an MTE engineer from Sweden, the original designer of our ECU upgrade programs.
