Hello everyone!

A location for the 2013 Autocross has been secured!
Be sure to thank Mark and Gary for all their hard work in finding a new location for us this year!
All are welcome!

The new location:
A Parking Lot in Rio Linda
Closest Address:
649 West Elkhorn Boulevard
Rio Linda, CA 95673

Surface is smooth blacktop, however, there are a few light poles (not an issue as they are far apart), and there is also a little elevation change, overall about 3-4'.

Course layout is in progress, but expect the course to be set up for best time not for drifting (i.e., any loss of traction will result in a slower time).

- 6:45A (Gates Open), Driver sign-ins allowed until 8:20A (After 8:20A, you are a spectator). Spectator sign-ins allowed all day.
- 8:30A (Tech)
- 8:45A (Drivers Meeting/Walk the Track)
- 9:15A (Event/Runs Start)
- Will end when runs complete (depends on number of drivers registered).

What to Expect:

- We are planning on 4 runs per group, with a group of beginners and a group of experienced drivers.

- Food will not be provided.
- Volunteers may be needed to run the course while the other group is out.
- All runs will be timed with the option of the worst run to not be counted on your overall average.
- Awards will be given for top 3 plus 1 or 2 special awards as appropriate.

Notes:

- We need numerous volunteers to make this work.
  Cone retrieval experts especially needed as well as event set-up (April 26 evening) and take down (right after the event ends).
- The event is based on giving all proceeds to charity.

Auto-X Rehab Party:

- Sacramento Chapter President Mark Baldwin will be running the Auto-X and hosting the rehab after at his beautiful facility just a few miles away from the Auto-X.
- This years AutoX Rehab party will include:

Prices will be more to add front side windows or to remove old tint etc. This is a great deal as this guy really knows what he is doing. First come, first served. Let me know if you are planning on getting your sled tinted. The tint guy trying to figure out how many of his guys to keep on that evening.
