Saturday, April 16, 2016 at 10:00A

A message from Elizabeth Brown, SacVCOA Planning Committee:

Hello everyone!

You are invited to join us for the 8th Annual EuroTech Tech Session, Lunch, and Planning Meeting on Saturday, April 16, 2016 starting at 10:00A.

EuroTech is a local shop specializing in all phases of Volvo diagnostics, service, and repairs. The owner, Peter Mausolff, has many years as a Volvo tech. The session will be a free flow format with Peter and his staff available to answer questions, take a look at your car, or even get it on a lift to check out that issue you have been avoiding. So, bring your immaculate, dirty, dinged, vintage, new, or barely alive Volvo!

There is no charge for this event.

After the Tech Session, we will have Lunch and the Planning Meeting at a nearby Chinese restaurant.

See you there rain or shine!
