**Swedish Day at IKEA**  
**With the Bay Area Saab Club**  
**Saturday, June 13, 2009, 10 a.m.**

Last year, we had a “Volvo Day at IKEA” with a car show and Swedish trivia game. This year, with the event scheduled between Swedish Day on June 6<sup>th</sup> and Midsummer Celebrations on June 20<sup>th</sup>, we thought it would be more fitting if we expanded the event to “Swedish Day at IKEA” with all Volvos and Saabs invited to the car show and Swedish-themed “treasure hunt / great race” type game!

As before, we will meet in the IKEA parking lot (~row D) in West Sacramento close to the entrance:

IKEA  
700 West IKEA Ct.  
West Sacramento, CA 95605

See attached map on page two to find the general area where we will park and greet each other (marked with a thumbtack). Following introductions, we will have an opportunity to chat, enjoy Sweden’s finest automobiles, and share information on Volvo and Saab lore.

At about 11:30 AM to noon or so, we will move inside IKEA to enjoy a buffet lunch upstairs in a conference room that we have reserved next to IKEA’s buffet. During the lunch, we would like to discuss club events, and the possibility of the Sacramento Chapter working with the Golden Gate Chapter to expand our Spring Davis event next year to either a VCOA Regional or West coast meet. All of the ideas that we will generate or explore about Davis will be passed on to CJ Yother, Golden Gate’s new President.

Following this at about 1:00 or 1:30 PM, we will begin the Swedish-themed “treasure hunt / great race” type game that will include questions and clues written on placards that will be placed throughout IKEA’s second floor. Those who complete this multi-staged game first will win!

IKEA can be reached from Interstate 80 in West Sacramento by taking the Reed Rd. exit (just to the north of the store) and going East. From there, IKEA Ct. will be your first right (going South) IKEA is toward the end of this short street as you work your way Southwest.

If in doubt, pull up driving directions from your location on an online directions / map website.

This event is free of charge for participants, with the exception that you will need to cover the cost of an inexpensive lunch (the Swedish meatballs are great).
