Hello everyone!

You are invited to join us for the 9th Annual Swedish Day at IKEA on June 11th at 8:30A (new earlier start time).

All Swedes and their Volvos and Saabs are welcome!

If you have yet to have the pleasure of attending this event, it is a very informal friendly event where Swedish cars and their owners (who may or may not be Swedish) gather in the parking lot of IKEA, near the entrance door (around row D, see the map below) and we mingle and chat the morning away until we feel the pangs of hunger and head upstairs to the second floor to purchase our lunches from the IKEA restaurant and move to a group of reserved tables for a leisurely lunch.

Lunch will be followed by our mid-year planning session to discuss the events of the last half of the year-- come and join us if you have an idea or would like to participate!
