

Sacramento Chapter
Volvo Club of America

**2009 Speed World-Challenge GT Racing Series (at Laguna Seca Raceway)
With the Golden Gate and Southern California VCOA Chapters
Sunday, October 11, 2009, 2:45 p.m.**

Jim Haughey of K-Pax racing is offering VCOA members this wonderful opportunity:

"My name is Jim Haughey, owner of K-Pax Racing. I am a VCOA club member and own a Volvo repair business near San Jose, California . We race two S60R Volvos in the Speed World-Challenge GT racing series. You may have heard of us, if not, look in the September/October edition of Rolling Magazine on page 15 for our current story.

We will be at Laguna Seca Raceway, near Monterey California, October 8 thru 11. We race on Sunday October 11 at 2:45 pm. We have won two races so far this year, beating Porsches, Vipers, Mustangs and Corvettes. Laguna Seca looks to be a good track for the Volvos. Trying not to wave our flag too much, but these are the fastest Volvos in the world!

I'd like to invite any club members out to the track and if there is sufficient interest we can gather the VCOA members at our paddock area and have a talk for the members, let them get a close look at the cars, maybe sit in the cars, show everyone our trailers, motors, transmissions, meet the drivers and have a good time. The reason I am writing is to see if your local chapter has any interest in coming to Laguna Seca for our race. I am also extending invitations to the Golden Gate Chapter and perhaps some local dealers.

I also CC'd Dave Drimmie; he is the VP of Marketing and Communication for our series and may be able to get us some free stuff.

Let me know what you think.
