A message from Jeff Molander, SacVCOA Planning Committee:

Hello everyone!

Please join the Sacramento Chapter of the VCOA for lunch at Suzie Burger on September 22 at 11:30am.

Bring your dented, rusted, perfect, well-loved, or prized Volvo for a great lunch at a cool place. Suzie Burger is located in an old converted gas station and has a long history in Sacramento. Suzie Burger is very friendly to car clubs and Mark Baldwin has organized a lunch there for an earlier club event. Families welcomed and encouraged to attend this informal event.

This is not an ambitious event, just an opportunity for club members to get together and share their latest Volvo escapades. We have not met for a while, so this may also be an opportunity to talk about upcoming events toward the end of the year, as well as for next year.

We hope to see you there.
