

Sacramento Chapter
Volvo Club of America

Presentation of Vintage Volvos & S60 Naughty Tour at Turner Volvo
Friday, August 13, 2010, 5:00 PM to 7:00PM

Representatives of Volvo of North America will be stopping by Turner Volvo on a multi-destination road trip around the country to announce and exhibit several new S60 models. The car has been completely redesigned for 2011. Turner Volvo will also be providing food and will also invite vendors and other related Volvo service providers to attend.

Casey Turner has invited all and any members of the Sacramento Chapter to attend. In addition to a great event that will be hosted by Volvo of North America, Casey and I are interested in displaying nice examples of Volvo models over the last 60 years as a backdrop for the event. We will have side-by-side parking spaces available for a great addition to the overall event. We are interested in having the owners be present to talk with guests about their model, how they fit in the Volvo lineage, as well as their mechanical characteristics and any information about restoration and parts availability. ***Please email me back if you would like to present your car, otherwise I may hound you!***

Soon, Casey will be developing a newsletter as a formal invitation and description of the event. I will see to it that you receive the invite, either by email, or through the post.
