**4th Annual Volvo Independent Tech Session &
2012 SacVCOA Event Planning Meeting / Lunch
Saturday, March 31, 2012 10:00 A**

A message from Mark Baldwin, SacVCOA President:

Hello everyone!

You are invited to join us for the 4th Annual Tech Session at Volvo Independent and our Annual Event Planning Meeting on Saturday, March 31, 2012 starting at 10:00A.

Volvo Independent is a local shop specializing in all phases of Volvo diagnostics, service, and repairs. The owner, Peter Mausolff, has many years as a Volvo tech. The session will be a free flow format with Peter and his staff available to answer questions, take a look at your car, or even get it on a lift to check out that issue you have been avoiding. There is no charge for this event.

After the Tech Session, we will have our 2012 Planning Meeting / Lunch at a nearby restaurant. In addition to the actual event planning, conversation also tends to cover multiple topics, so please be thinking about some ideas you may have to grow our chapter, new/old events, the overall direction you would like the club to take, or anything related...

We'd love to hear your ideas!

Contact Mark Baldwin at **removed** for info or see you there rain or shine.
